I am forced to seek your assistance for victim Sherry Ray Eveland now homeless a victim of 11+ years of legal and judicial abuse in Cecil County Maryland and other state and federal courts systems in Maryland USDC, Virginia USDC, the District of Columbia USDC, and appellate courts. We have been notified but failed to provide honest services to this lawful citizen and victim of theft of estate records wills codicil leading to the loss of over \$18 million of the estate of James Ray Charles Cecil County orphans court case # 19461 four James Ray Charles and case # 26598 involving the estate of Ch Please say that again eved to have murdered by state police will not furnish any respo open criminal investigation within their agency. Even under FOIA request.

Dir. Blanche I see that local publications of your office as of April 2026 indicates and I quote ("A key development was the formal establishment of the **National Fraud Enforcement Division (NFED)** on April 7, 2026, aimed at a "comprehensive and coordinated approach" to prosecuting fraud against government programs"). The process is have failed to do anything about this I am respectfully helping you and your administration will properly investigate what's going on in Cecil County Maryland in the matter of the estate of James Ray Charles which is now been going on for 10 years and seven months.

There are too many court cases related to these initial cases in both the state and federal court system will have negligently handled formal request. Officially submitted here in other officer of the United States seeking assistance, the victim is now homeless, her siblings have either been I believe murdered or falsely and secretly incarcerating against the will on false charges in the Maryland supported Perkins Institute in Jessup Maryland, there are far too many cases that are matter of official record which record the atrocities against the victims including but not limited to, theft of estate papers from safekeeping with forged documents, falsification of last will and testament of the deceased James Ray Charles, by alleged personal representative Leonard Wilson Esq. who was assisted by the agency of the William Riddle law firm and its agent James Dellmyer Esq. and Wilson other partners and the law firm of Wilson, Rollins, Dellmyer and Brown, all members of the Elkton Maryland Bar Association as trust officers. Threatening and intimidating witnesses. To facilitate the theft of over \$18 million and now they have engaged in stealing all the assets of the estate, making victim homeless. While governmental agencies, courts, and court personnel have refused to provide honest services to this victim.

Dir.
